| Determined by<br>Chemwatch<br>using<br>GHS/HSNO<br>criteriaGazetted<br>by EPA New<br>Zealand | 3.1B, 6.1D (oral), 6.3A, 6.4A, 6.8B, 6.9B, 9.1D, 9.3C  |  | Swallowed:              | Give water (if conscious). See<br>or oil. Do NOT give alcohol.   | k medical advice. Do NOT give milk |  |
|  |  |  | Eye:                    | Wash with running water.   |                                    |  |
|  |  |  | Skin:                   | Remove contaminated clothing. Wash with soap & water.  |                                    |  |
|  |  |  | Inhaled:                | d: Fresh air. Rest, keep warm. If breathing shallow, give oxygen.<br>Medical attention.  |                                    |  |
| Signal word:   | Danger   |  | Advice To               | No antidote. Supportive care. Evaluate for respiratory distress.<br>Consider lavage with cuffed tube. NO adrenalin.  |                                    |  |
|  | H302 Harmful if swallowed.   |  | Doctor:                 |  |                                    |  |
|  | H315 Causes skin irritation.   |  | Fire Fighting:          | Keep containers cool. Foam.  |                                    |  |
|  | H319 Causes serious eye irritation.  |  |                         | Spilled liquid has low boiling temperature and evaporates quickly.<br>Eliminate ignition sources. Consider evacuation. Prevent from<br>entering drains. Contain spillage by any means. Control vapour  |                                    |  |
| Hazard<br>statement(s):  | H361 Suspected of damaging fertility or the unborn child.  |  |                         |  |                                    |  |
|  | H371 May cause damage to organs.   |  |                         | with water spray/ fog. Absorb with dry agent. Stop leak if safe to<br>do so. Not recommended for interior use on large surface areas.<br>Take precautionary measures against static discharges. Dispose<br>of this material and its container at hazardous or special waste<br>collection point. This material and its container must be disposed<br>of in a safe way. To clean the floor and all objects contaminated b |                                    |  |
|  | H373       May cause damage to organs through prolonged or repeated exposure.         H401       Toxic to aquatic life.         H413       May cause long lasting harmful effects to aquatic life. |  | Spills and<br>Disposal: |  |                                    |  |
|  |  |  |                         |  |                                    |  |
|  |  |  |                         |  |                                    |  |
|  | H433 Hazardous to terrestrial vertebrates.   |  |                         | this material, use water and detergent.  |                                    |  |
|  | H225 Highly flammable liquid and vapour.   |  | SAFE STORAG             | E WITH OTHER CLASSIFI  | ED CHEMICALS                       |  |

| engineering<br>controls:       | Local Exhaust Ventilation recommended.   |
|--------------------------------|--|
| Glasses:                       | Consider chemical goggles.   |
| Gloves:                        | 1.PE/EVAL/PE 2.TEFLON 3.VITON  |
| Respirator:                    | Type AX Filter of sufficient capacity. (AS/NZS 1716 & 1715, EN 143:2000 & 149:2001, ANSI Z88 or national equivalent)   |
| Storage and<br>Transportation: | Store in cool, dry, protected area. Restrictions on Storage apply.<br>Refer to Full Report. Not recommended for interior use on large<br>surface areas. Take precautionary measures against static<br>discharges. Dispose of this material and its container at hazardous<br>or special waste collection point. Keep out of reach of children.<br>Keep container in a well ventilated place. Keep away from food,<br>drink and animal feeding stuffs. Keep away from sources of<br>ignition. No smoking. |
| Fire/Explosion<br>Hazard:      | HIGHLY FLAMMABLE. Toxic smoke/fumes in a fire. Not<br>recommended for interior use on large surface areas. Take<br>precautionary measures against static discharges. Dispose of this<br>material and its container at hazardous or special waste collection<br>point. In case of fire and/or explosion, DO NOT BREATHE<br>FUMES.   |
